The Honorable John Conyers, Jr.  
Chairman, Legislation and National  
Security Subcommittee  
Committee on Government Operations  
House of Representatives

Dear Mr. Chairman:

As you requested, we are providing this information as a supplement to our report Information Security: Federal Agency Use of Nondisclosure Agreements (GAO/NSIAD-91-106FS, Jan. 18, 1991). We compiled this information from responses to a questionnaire you sent to 54 federal agencies that handle classified information. The resulting information includes actual figures, as well as estimates where actual data were not available from the 48 agencies that responded. We did not verify the information reported by the agencies.

We plan no further distribution of this report until 7 days from the date of this letter unless you publicly announce its contents earlier.

Appendix I contains a list of federal agencies that responded to the questionnaire. Appendix II contains detailed information on what federal agencies reported on their classified information nondisclosure agreement and prepublication review activities.

Please contact me at (202) 275-8412 if you or your staff have any questions.

Sincerely yours,

Donna M. Heivilin  
Director, Logistics Issues

# Responses to Questionnaire

We compiled the following information from responses to the questionnaire you sent to 54 agencies that handle classified information. The resulting information includes actual figures, as well as estimates where actual data were not available from the 48 agencies that responded. The following tables show the data each agency reported in response to a question or a part of a question. If an agency reported no data it will not be included in a table. We did not verify the information reported by the agencies.

## Question 1

How many federal and contractor employees signed the Standard Form 312, Form 4355, or a similar form requiring nondisclosure of classified information during the period beginning October 1, 1989, and ending March 31, 1990? How many federal and contractor employees signed the Standard Form 312, Form 4355, or a similar form during October 1989?

### Question 3

Approximately how many books, articles, speeches, and other materials received prepublication review between October 1, 1989, and March 31, 1990, and in October 1989? What were the reasons for prepublication review?

### Response

Tables II.9 through II.16 provide agency responses to Question 3. Items reported in the "Other" category generally include such material as

book reviews, brochures, technical papers, letters to the editor, editorials, briefings, and slides. The CIA reported that it conducted 443 prepublication reviews between October 1, 1989 and March 31, 1990, and 57 reviews in October 1989. We were unable to classify the reviews by type of material because some items were reviewed for more than one reason.
